**Subject:** MS4 online map and spoils exchange

**Attachments:** map access info .pdf; CNY Stormwater Coalition Fill Exchange Instructions.pdf

Good Morning,

The online MS4 map has been updated to include all field data collected by our interns in 2018. Additional flow directions have been documented where supported. You can access the online map at <https://cnyrpdb.maps.arcgis.com/home/index.html> I've attached instructions for accessing the map and database.

At the request of Coalition members, an online spoils exchange webpage has been published as a blind link on the stormwater website. You can access the exchange at <http://www.cnyrpdb.org/stormwater/?SUA-MS4-Fill-Exchange-200> I've also attached instructions for using the exchange. Please let me know if you have any issues accessing and posting to the exchange.

Thanks.

Kathy

**KATHLEEN BERTUCH**

Program Manager

Central New York Regional Planning & Development Board

126 N. Salina St., Suite 200

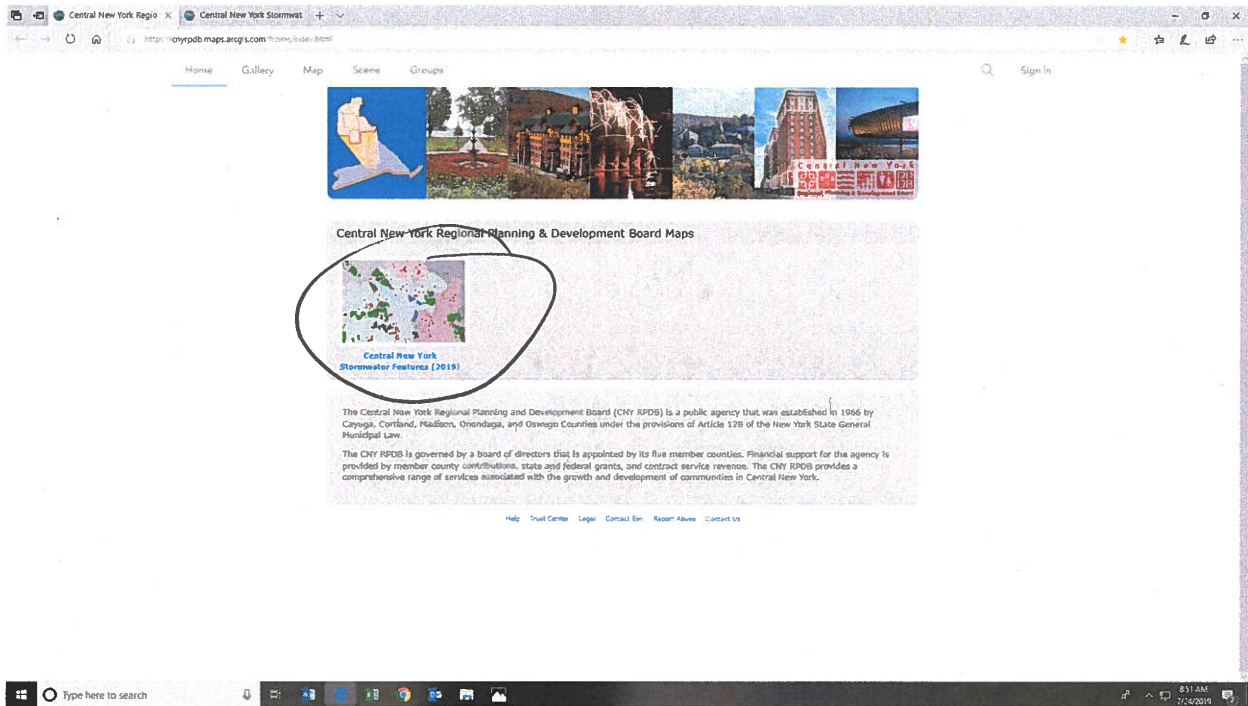

Syracuse, NY 13202

315-422-8276 Ext. 1208

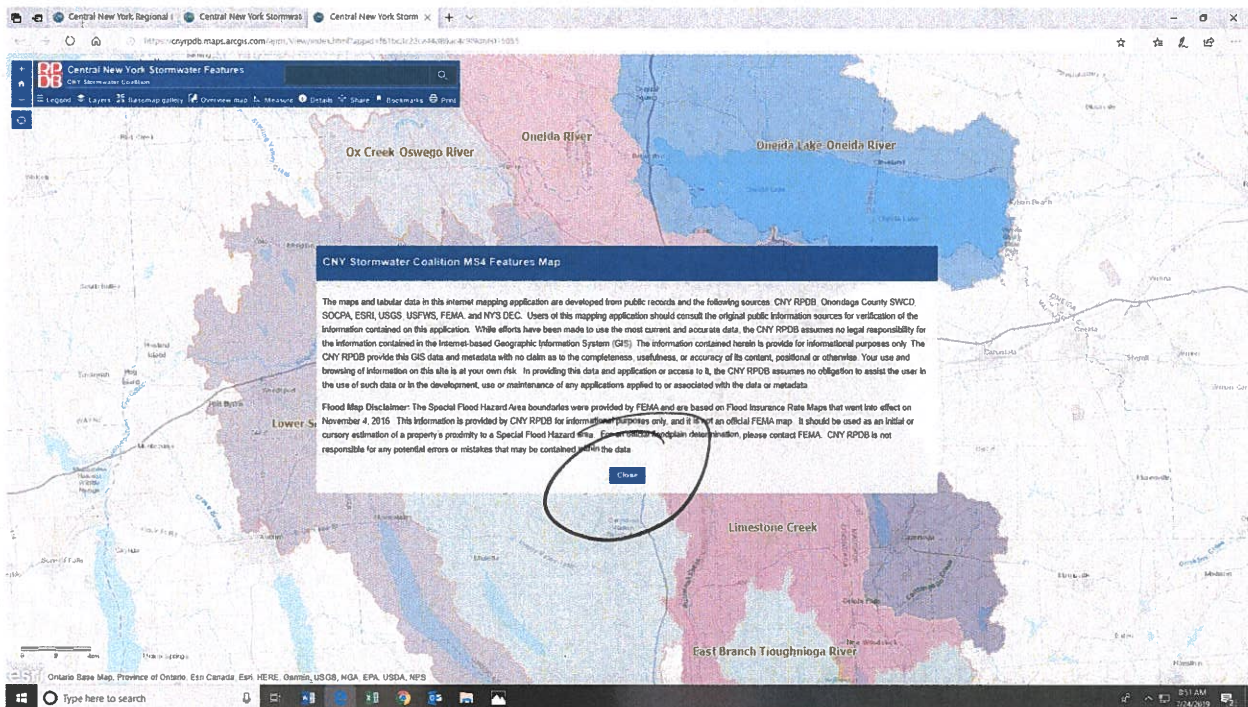

1. Access map at this link: <https://cnyrpdb.maps.arcgis.com/home/index.html>

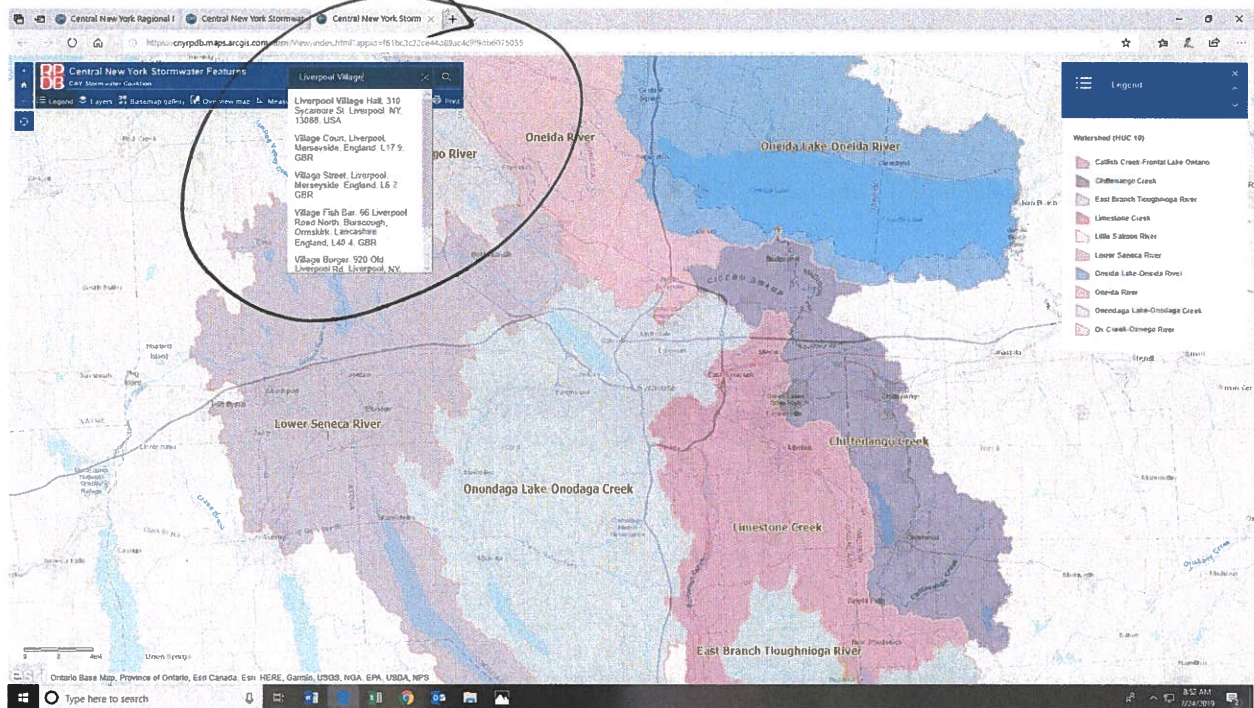

2. Click on "CNY Stormwater Features (2019)" icon

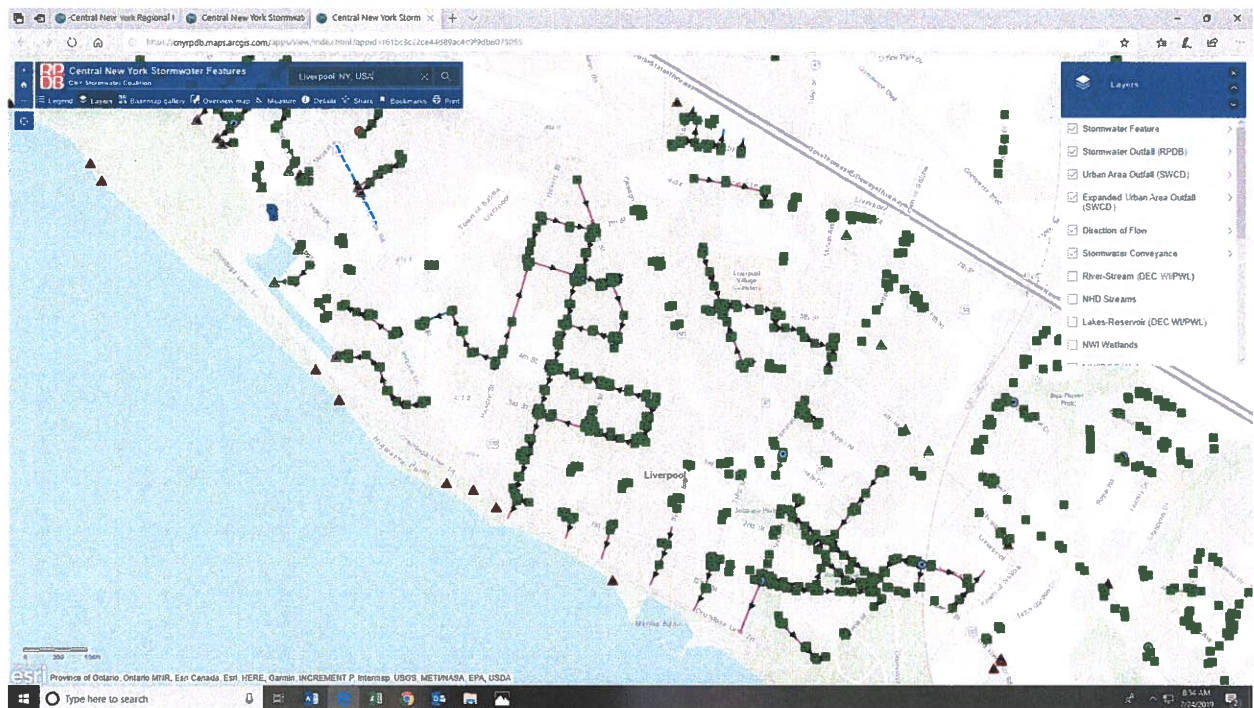

3. Click on "Close"

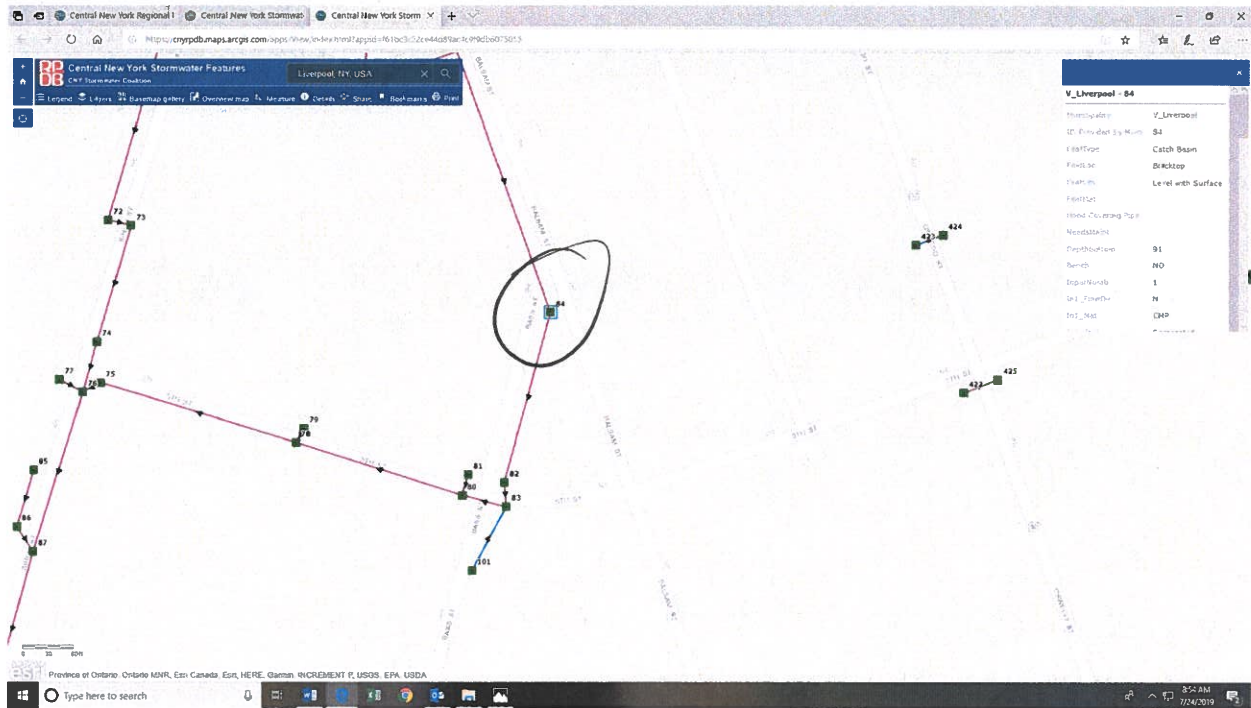

4. Enter the name of the MS4 of interest in the search box and then select the correct one from the pull down that appears below

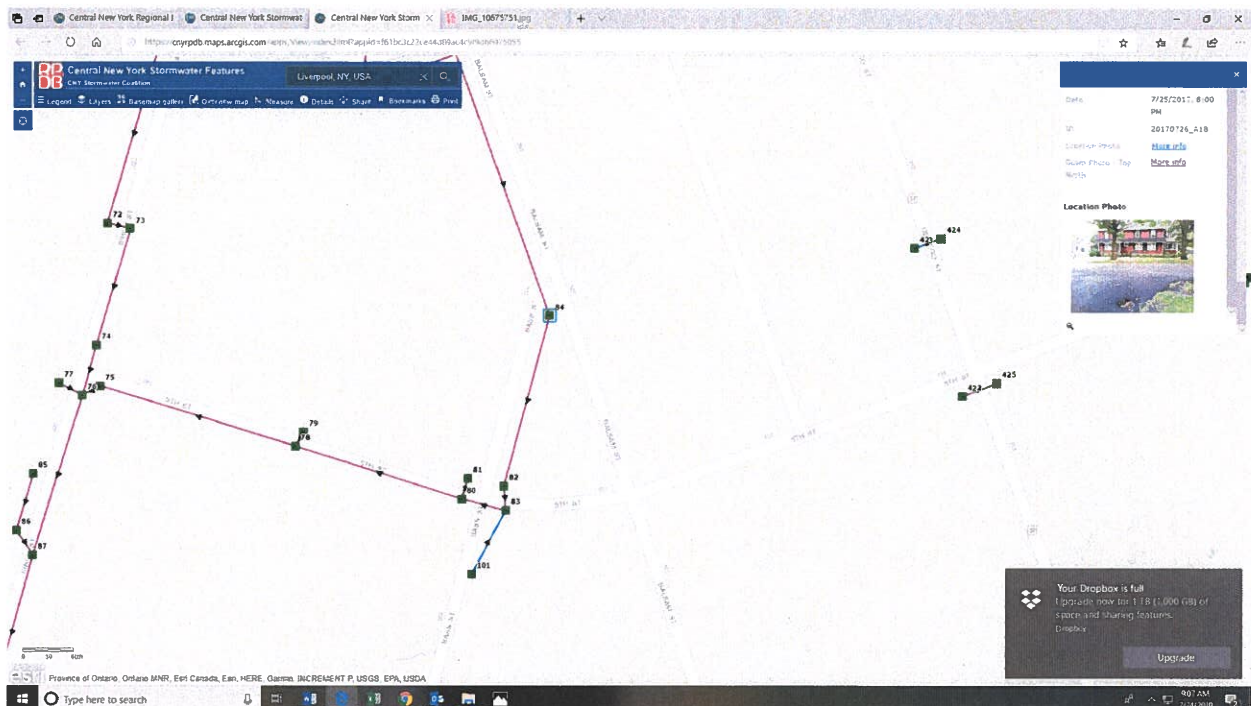

5. Not all features are viewable at all levels. Zoom in to select the features you want from the Legend on the left. If you are not zoomed to the appropriate level the features will appear grey in the Layers box and you will not be able to select them until you zoom in further.

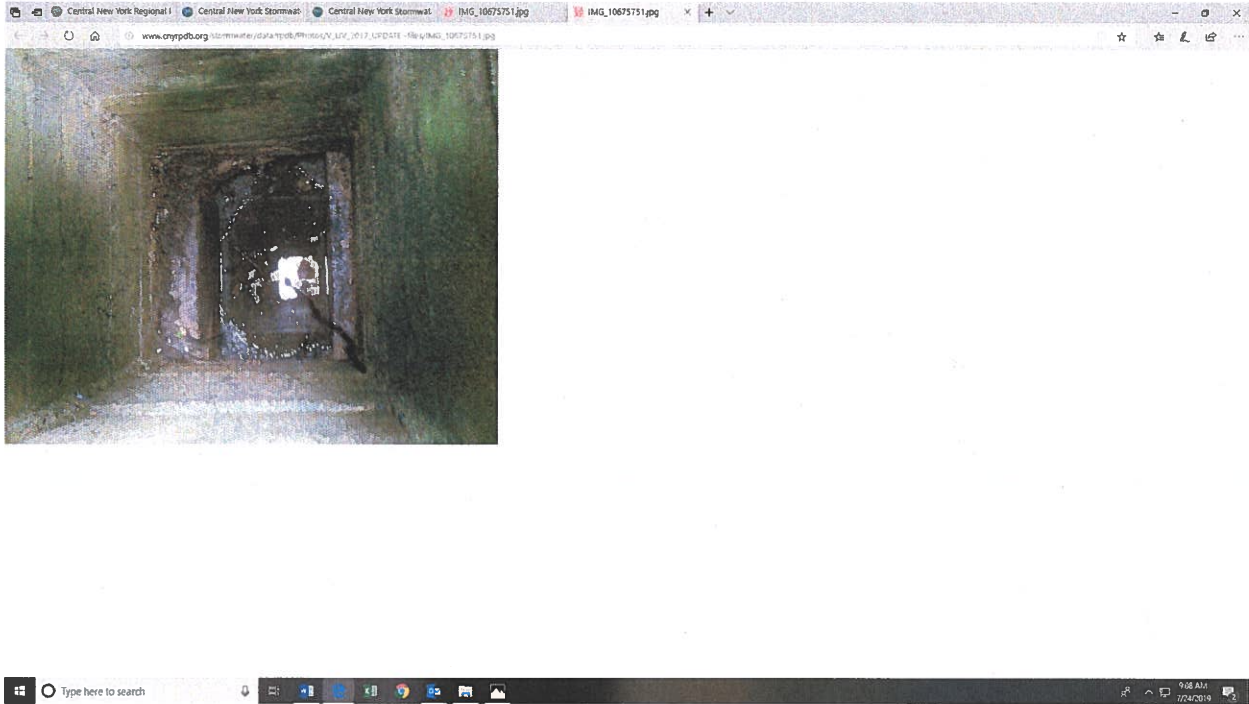

6. Click on the feature of interest to access all associated data for that feature. Scroll down to see all data and photos.

7. Click on either "Location Photo" to see street level view of feature.

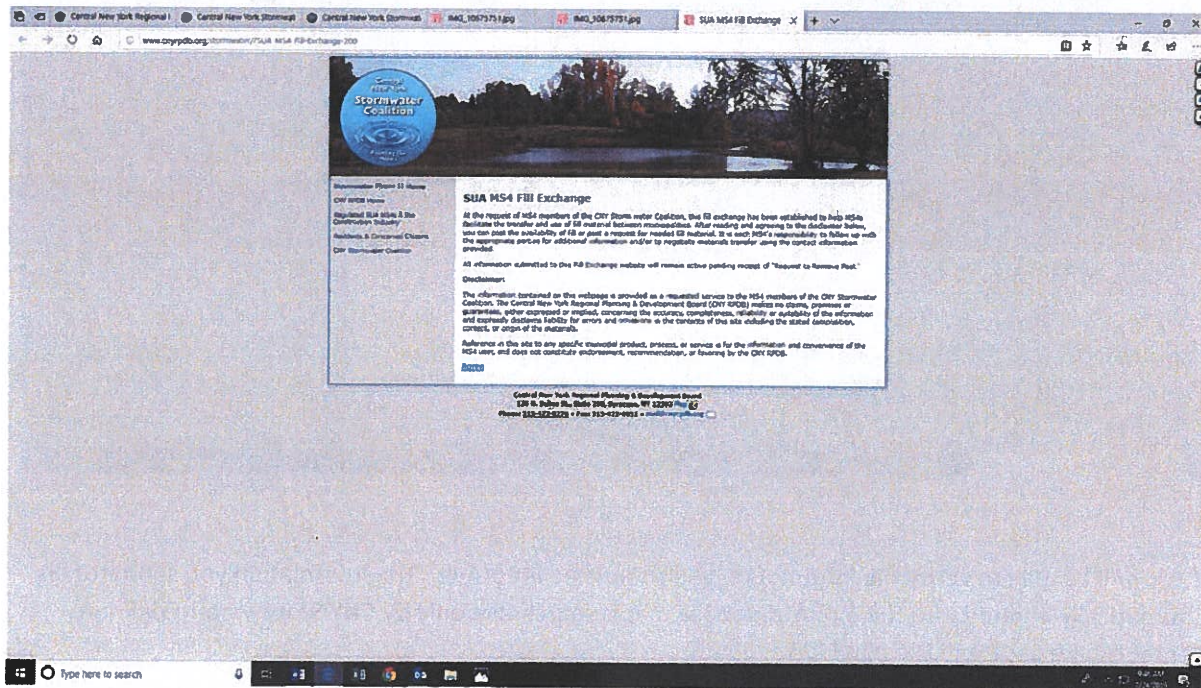

8. Or, click on "Down Photo" to access the inner feature photos. Some are better than others.

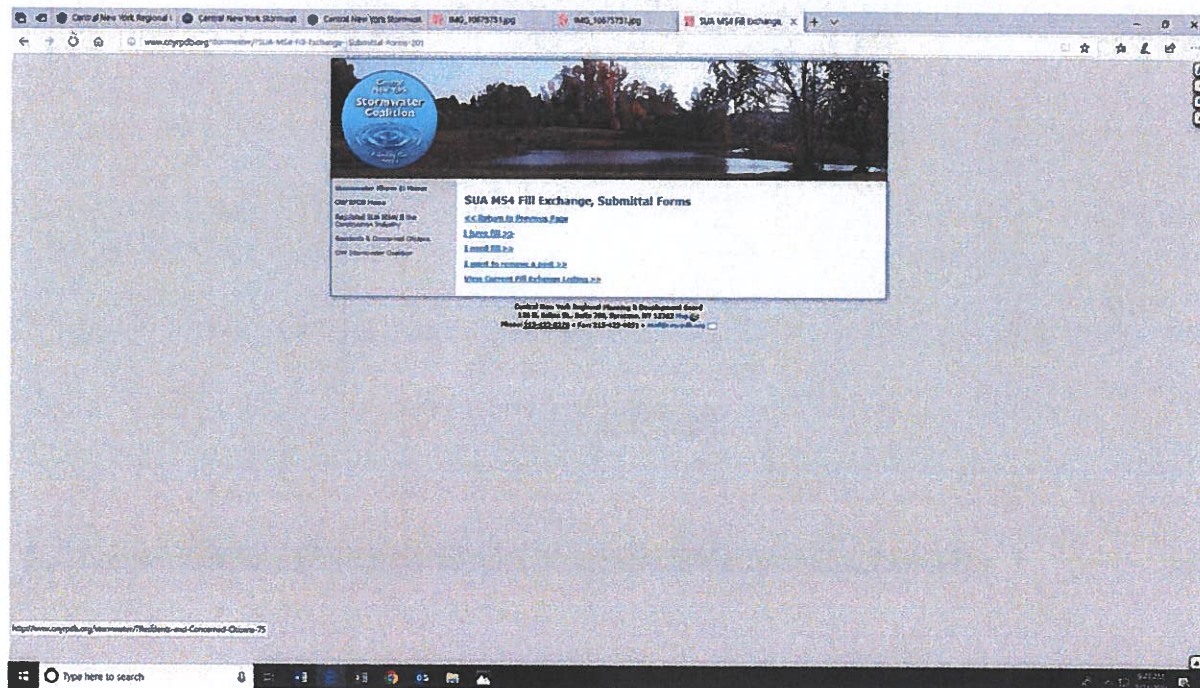

# CNY Stormwater Coalition Fill Exchange Instructions

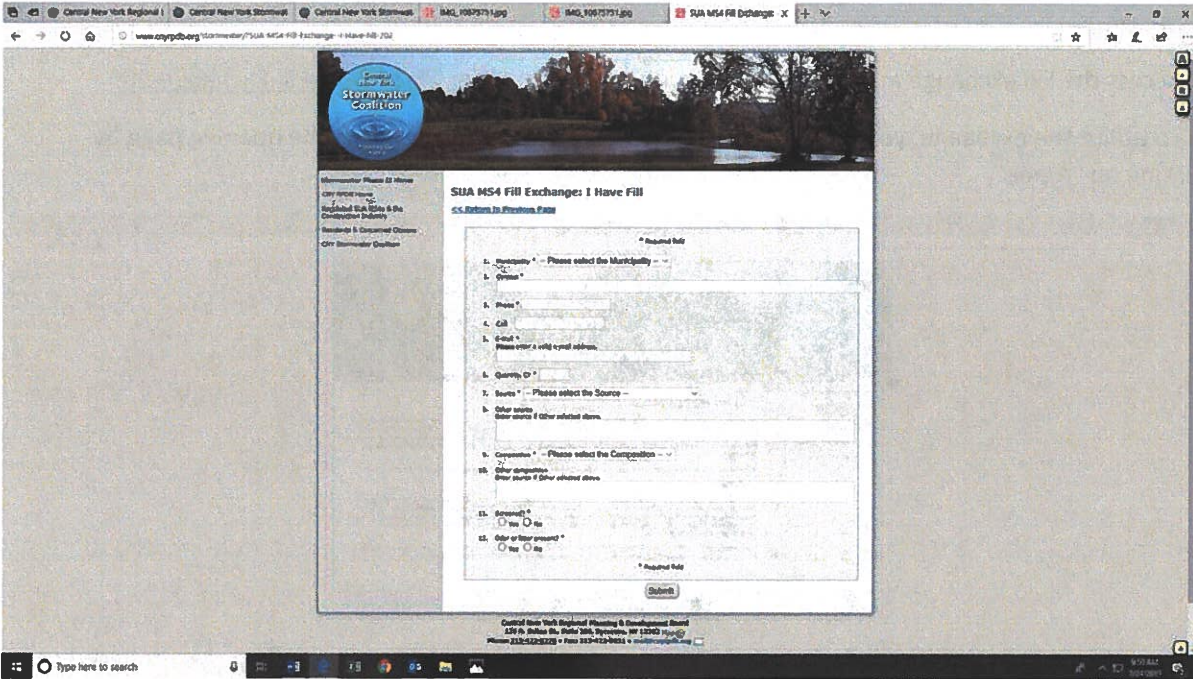

1. Access the Fill exchange at <http://www.cnyrpd.org/stormwater/?SUA-MS4-Fill-Exchange-200>
2. To utilize the exchange, you must first read and agree to the disclaimer on the opening page by clicking on “Agree”

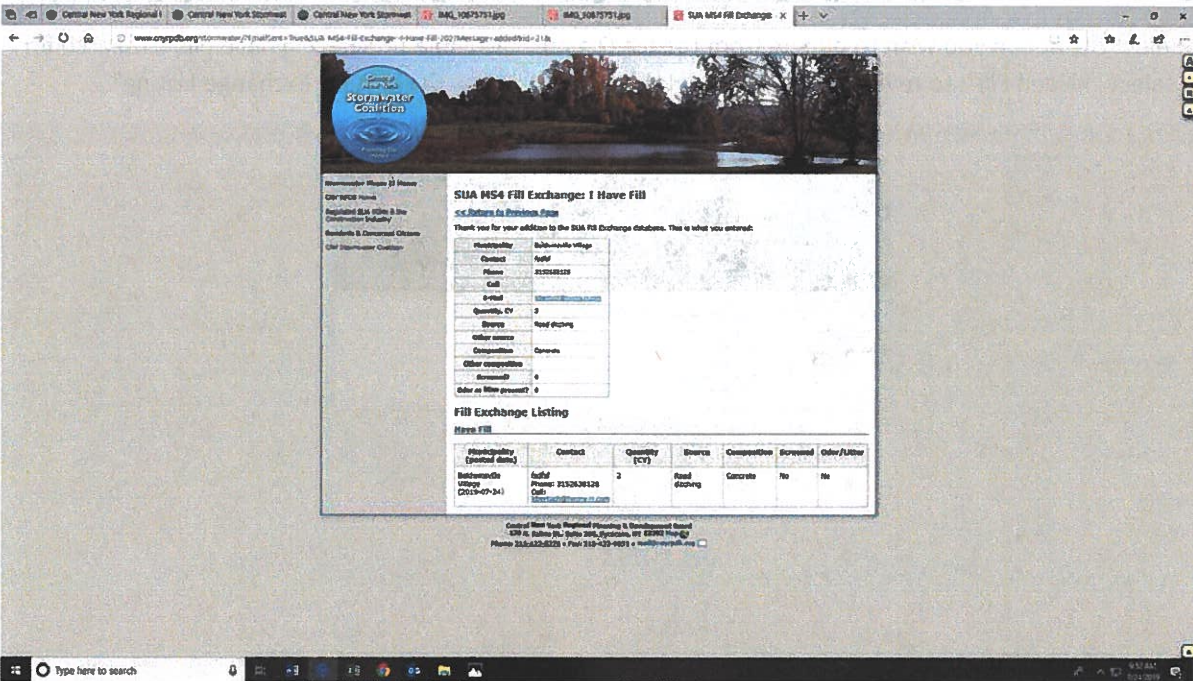

3. Select the action you wish to pursue from the list (To post available fill select “I have Fill; to search for fill select “I Need Fill”; to review the current database select “View Current Fill Exchange Listing”.

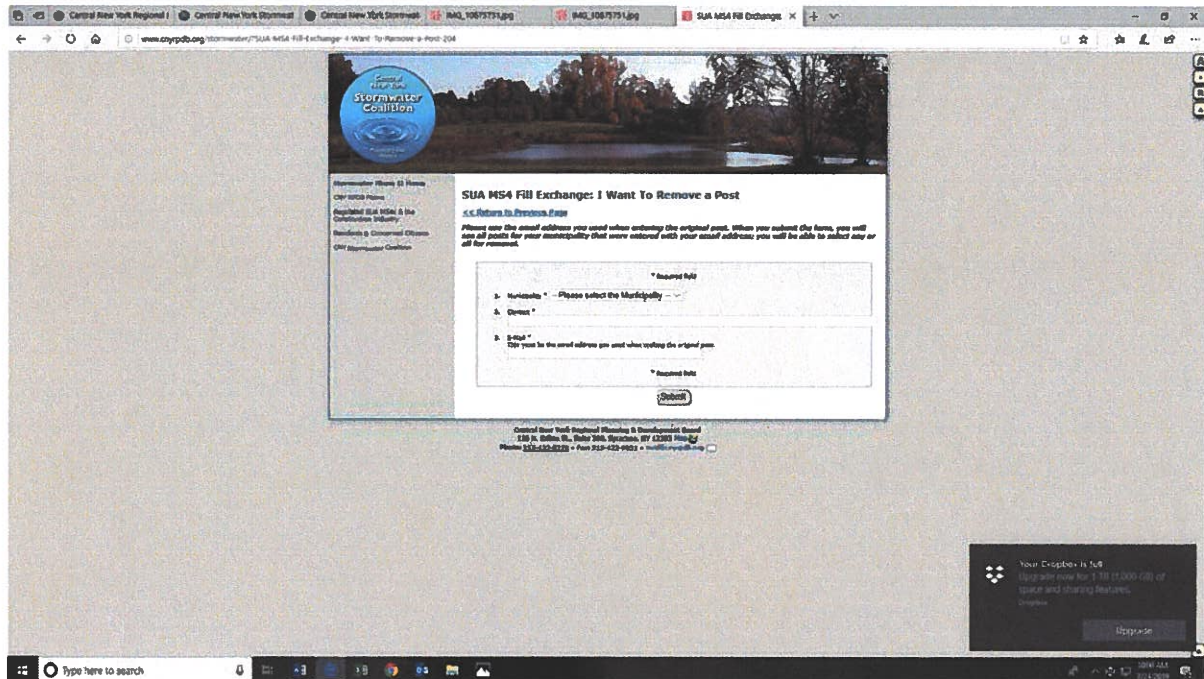

4. Complete the appropriate form and click "Submit"

5. You will be able to verify the information you submitted is correct. The information you submitted is automatically entered into the online database that is searchable only by CNY Stormwater Coalition members with access to the blind link.

6. To remove any posting, select "I want to remove a post" from the forms page (see screen shot 2). The contact and e-mail information must be the same as what was entered on the original posting. Click "Submit"

7. You will be presented with all current postings associated with your contact information. Select the posting you wish to remove and click "Request Removal of this Listing" Your listing will be removed within 2 days of submitting the request and you will receive a removal confirmation by E-mail.
