The Public is Invited to Attend the Town of Richland and Village of Pulaski Comprehensive Plan Meeting

Pulaski, N.Y. – The Town and Village have decided to prepare a comprehensive plan to address changes in land use, population, development and environmental resources. A comprehensive plan committee (CPC) comprised of residents, business owners and other interested parties has been formed to lead this public opinion driven process.

The Town of Richland and Village of Pulaski Comprehensive Plan Committee (CPC) would like to invite residents and business owners in the Town of Richland and the Village of Pulaski to attend the next meeting of the CPC. A variety of topics will be discussed and a first draft of the comprehensive plan will be presented. Mark your calendars and make plans to attend the following meeting:

**Monday, August 6, 2007
7 PM – 9 PM
4917 Snow Memorial Building
Jefferson Street, Pulaski, N.Y.**

The Town of Richland/Village of Pulaski Comprehensive Plan will represent a compilation of ideas and recommendations from the public. Therefore, it is essential that members of the community participate in the planning process. The plan will help guide future growth and development, while maintaining the traditional, rural character of Pulaski and Richland.

For more information about the Town of Richland/Village of Pulaski Comprehensive Plan contact Nancy Farrell at (315) 298-4754.

About the Central New York Regional Planning and Development Board

The CNYRPDB is a public agency that was established in 1966 by Cayuga, Cortland, Madison, Onondaga and Oswego Counties. Financial support for the agency is provided by its member county contributions, state and federal grants, and contract service revenue. The CNYRPDB provides a comprehensive range of services associated with the growth and development of communities in Central New York with a focus on the following program areas: economic development, environmental management, land use and transportation planning, and regional information and research services. Currently, the CNYRPDB is assisting several communities in Cayuga and Oswego Counties as they try to identify and plan for the long-term goals of their communities.
